Subject: Week of 19 June

I wanted to let the team know that I will be out of the office the entire week of 19 June for a training class. I hope to have time to keep up with normal work tasks concurrent with my training class as much as possible, but I can't guarantee how much time I will have.

Although I won't be able to participate, I believe it would still be time well spent to hold the weekly status meeting on the 19th - particularly given that we anticipate receiving the DP1 Final Design and DP2 100% design on the 20th.

Thanks,
Rod Zion
